

Hello!

You are listed in the City of Austin registry as a contact for your Neighborhood Association. If you are no longer in that position, please pass this along to the current contact individual(s) and if possible, forward that information to me.

**Your Neighborhood Association in Austin City Council District 4
is invited to join the
Windsor Park Neighborhood Association on
Saturday, September 14, 2024, 10:00 AM ~ 12:15 PM
for an Austin City Council District 4 & Mayoral Candidate Forum
at Memorial United Methodist Church, 6100 Berkman Drive.**

Windsor Park NA would also like your Association to lend its name as a forum co-sponsor. Please let us know by August 31st if you want to be included. No other contribution than lending your co-host Association's name is asked. The Association's name will be publicized regarding the event. Even if your Association declines, you can share, again by August 31st, two or three of your area's concerns that the City Council might address, which we'll pass along to the candidates prior to the forum.

Volunteers are needed to greet and direct candidates, collect question cards, to possibly moderate one of the forums, or to serve as a timekeeper - someone who can watch a timer and hold up cards notifying candidates they have 30 seconds, 15 seconds, or it's time to STOP! Please share with us the names of anyone who may be willing to help.

We've scheduled the **District 4 Forum to start at 10:10 am**, and the **Mayoral Forum to start at 11:10 am**. The candidates are:

District 4

Monica Guzmán
José "Chito" Vela
Louis Herrin
Eduardo "Lalito" Romero

Mayor

Doug Greco
Carmen D. Llanes Pulido
Kathie Tovo
Kirk Watson
Jeffery L. Bowen

With nine candidates, time is tight. We'll allow each candidate a two-minute opening statement, and two minutes each to answer questions. Cards for questions will be provided for attendees to submit, but due to time constraints, audience members will not be able to verbally ask questions of candidates.

Memorial Methodist is 1.1 miles north of E. 51st Street on Berkman Drive, and 0.6 miles south of the US Hwy 290 frontage road at Berkman. Enter the church's north driveway across from Wheless Lane, and parking is available along the U-shaped driveways. The gym/meeting room venue is the very back of the complex, entered via either of the west wall's sets of doors.

Please respond via email ASAP with confirmations of co-sponsoring, or with any questions. If it's urgent, text 512-468-7700. Unidentified phone calls will not be answered.

On behalf of the Windsor Park Neighborhood Association, thank you. Hope to see you September 14th!
